About This Game

RUCKBALL is a brutal and fast-paced zero G sport game. In a distant future, giant corporations fight for supremacy through tournament followed by millions of people. Players compete across the universe in abandoned places converted into improvised sport fields.

ZERO G

RUCKBALL is a zero G sports game following the line of "Descent". There is neither up and down, nor left and right. You manoeuvre in 6 degrees of freedom.

PHYSICS

RUCKBALL has an advanced engine that can simulate physics, find the right angles and power, adjust your hitting and perform effects with the ball. The possibilities are unlimited.

ADVANCED COOP GAMEPLAY

RUCKBALL is a high impact 3vs3 sport game. Make perfect passes, strikes and blocks, master your environment to score goals.

SPACE MELEE

Players unleash everything they have to pummel each other into submission to score : you can dodge, punch and blitz. You might encounter some fierce brawl on the road to victory.

CUSTOM

Custom your player by collecting sponsors, emotes and legendary armors.
